

CENTRAL COUNTIES SERVICES

MEETING BEHAVIORAL AND DEVELOPMENTAL NEEDS

Bell ♦ Coryell ♦ Hamilton ♦ Lampasas ♦ Milam

To Dr. Seremetis' patients:

October 2023

As most of you know, I will be leaving Central Counties Services (CCS) at the end of the month. Your care will be automatically transferred to another child psychiatrist, and records will be available to them through our electronic health record system, and to you if you'd like through our medical records department.

There is no need to do anything if you are planning to continue your care with CCS, but if you would like to transfer your care, and would like records sent to the new provider, please submit a signed request in writing, including your child's name and DOB, what records you'd like sent (e.g., psychiatric treatment), & the name and address of the new provider or practice. You may also use the CCS ROI (Release of Information) form to facilitate this, available through the clinic or the medical records department. Letters or forms may be submitted to: Central Counties Services, 304 South 22nd Street, Temple, TX 76501, Attn: Medical Records.

Thank you, and best wishes!

Sincerely,

Laurie Seremetis, MD
