

2025 & 2026 BELL SEAL FOR WORKPLACE MENTAL HEALTH GOLD DESIGNATION

We are proud to announce that Central Counties Services has once again received the Bell Seal for Workplace Mental Health – Gold Designation from Mental Health America (MHA) for both 2025 and 2026. This national recognition honors employers who are committed to creating mentally healthy workplaces through strong policies, supportive practices, and a culture that prioritizes employee well-being. Receiving this recognition for a second consecutive year reflects our continued dedication to fostering an environment where employees feel valued, supported, empowered, and equipped with meaningful mental health resources. We remain committed to building a workplace culture rooted in care, connection, and overall well-being.
